

Iowa Western Community College

Request for Residency Status

A person who has been admitted to Iowa Western Community College shall be classified as a resident or non-resident for admission, tuition, and fee purposes. A student may request reclassification of residency by submitting this form as well as the brief statement and supporting documents described below to the Dean of Enrollment Services. However, a person who is in the state of Iowa primarily for educational purposes cannot be granted a reclassification.

Biographical Information:

Name _____
Last First Middle Initial

Permanent Address _____
Street Address

City State Zip County

Student ID Number _____ Telephone _____

Certification Statement:

Semester for which you are requesting residency: Fall Spring Summer Year 20_____

I hereby state that I have established a permanent residence in the State of Iowa and have resided in said residence for at least ninety days prior to the start of the semester indicated above. In accordance, therefore, with proper procedures and submissions of documented evidence of residency, I am requesting residency status classification for tuition purposes.

Student's Signature

Date
