COURSE PRACTICES:

Attendance is a crucial component of this class. Because class discussion is a crucial learning component, you must participate on the discussion board. Also, attendance will be taken (12/19, 12/22, 12/25, 12/28, 1/30, 1/2) to check that you are participating and completing assignments/quizzes. Therefore, not participating will negatively impact your grade. Attendance will be taken for each session/module. All course work must be submitted through the ROC LMS. Emailed work will not be accepted without prior instructor approval.

PARTICIPATION REQUIREMENTS FOR ONLINE COURSES:

Online courses require a clear pattern of participation for all students. The attendance standard for IWCC is that each student logs in and participates in meaningful ways, i.e. assignment completion, forum discussion, quiz completion, etc., within the course outline a minimum of three times each week. A week is measured from Monday through Sunday. If this standard is not met for any week within the course term, it will cost points and negatively impact a student's grade because students may not make-up assignments/discussions/quizzes.

COMMUNICATION WITH INSTRUCTOR:

All communication outside of class should be through email: jbauer@iwcc.edu. My goal is to respond to emails within 24 hours, including weekends. This excludes holidays/breaks. Or, you can stop by my office (STU 1124) during the student assistant hours posted above. Students and faculty must use their IWCC email when contacting the instructor about matters related to the course.

GRADING:

Your grade in History 1110 will be determined by your performance on one 5-page paper worth 100 points, twenty quizzes worth 15 points each, and 10 discussion assignments worth 10 points each (500 points total)

A. Paper	100 pts x 1 paper =	100 pts
B. Quizzes	15 pts x 20 quizzes =	300 pts
C. Discussions	10 pts x 10 discussions =	100 pts
	Total =	500 pts

A. Paper (100 Points)

Instructions forthcoming . . .

B. Discussions (10 pts each)

Every two days I will post a discussion prompt that you must respond to. In addition, you must provide meaningful responses to at least two classmates' posts. Please see the schedule at the end of the syllabus and/or ROC for discussion due dates. Each discussion is worth 10 points. We will be interacting on ten different topics for an opportunity to earn 100 points. ***You must participate by the assigned due dates to receive credit for discussions. You cannot make these assignments up.***

C. Quizzes (15 pts each)

This class consists of twenty multiple choice, true/false, short answer, and essay quizzes. There is one quiz for each lecture/podcast and the associated primary/secondary sources. The quizzes are worth 15 points each and will be available in the corresponding modules in ROC. The lectures and primary sources will be available in the corresponding modules in ROC as well. I will release the first two quizzes on Monday, December 17 at 12:01 AM CST. Thereafter, I will release one quiz per day. Each lecture/quiz will remain available for 48 hours. ***The exception is Quiz 1. This quiz covers the syllabus and must be completed on 12/17.*** Each quiz will close @ 11:59 PM CST. You will only get one opportunity to take each quiz. Each quiz consists solely of information that can be found in the corresponding lecture/podcast and associated primary/secondary sources, so take good notes.

FINAL GRADE SCALE:
